GLITTERTIND

Glittertind was formed as a one-man band back in 2001. Inspired by the beautiful Norwegian nature and folk traditions, the band made their salute to our old country by making metal versions of traditional folk music as "Mellom bakkar og berg" and our old national anthem "Sønner av Norge", in addition to their own composed material. Viking history and old Norwegian culture was used as lyrics and to set the musical mood. Now Glittertind has been strengthened to a six men army and together they are ready with a brand new album called "Djevelsvart". The album has received great critics and was selected as album of the month in Scream Magazine.
