ANAAL NATHRAKH

Anaal Nathrakh was created for one purpose - to be the soundtrack for Armageddon! Since 1999, the band has not only the release of eight albums and an EP to rapturous acclaim, but collaborations with such legendary figures as Attila Csihar (Mayhem), Shane Embury and Danny Herrera (Napalm Death), Nick Barker (Testament, Dimmu Borgir), Joe Horvath (Circle of Dead Children), Sethlans Teitan (Watain) and so on. Now it's time for their new opus, "The Whole of the Law", to be unleashed upon mankind. A sandblasting assault similar to the experience of a demented ocular surgeon operating on your head while riding a rollercoaster through hell, "The Whole of the Law" marries all of Anaal Nathrakh's trademark ferocity and against-all-reason-catchiness with a reinvigorated sense of focus and insane hatred. Simultaneously fresh and their most mature creation to date, "The Whole of the Law" is Anaal Nathrakh at the very height of their twisted powers. Anaal Nathrakh made their debut international live appearance at Inferno Metal Festival back in 2007. Now they will return to the festival and unleash their fury once more!

CROWBAR

Crowbar is an American sludge metal band from New Orleans, Louisiana, characterized by their extremely slow, low-keyed, heavy and brooding songs that also contain fast hardcore punk passages. Crowbar is considered to be one of the most influential metal bands to come out of the New Orleans metal scene. Their slow, heavy, and brooding style of metal is known to be influential in the sludge metal, doom metal, and stoner metal genres. This will be their first appearance at Inferno Metal Festival, so be sure that you don't miss out on one of the pioneers of sludge metal!

PANZERFAUST

Hailing from Canada, Panzerfaust was formed in 2005 as a project intended to create lawless music, and pursue unfettered ideas. In their view, nothing is safe, and nothing is sacred. Sonically speaking, the music has twisted and transformed through the years, all whilst holding to their demented roots. Testament to this is the destructive symbiosis between aural abrasiveness and a madness-inducing live show that they have been able to create. Panzerfaust declares "The War of All Against All."
