His latest masterpiece is last years “Arktis.” that has been described as a great journey of diversity and emotion. So be sure to join our musical journey when Ihsahn hits the stage at Rockefeller during Inferno Metal Festival 2018!

DJEVEL

Norwegian black metal band Djevel was formed in 2009 with members and ex-members of such great bands as Koldbrann, Ljå, Orcustus, Enslaved and Kvelertak. Djevel has released four album since then. The latest one was “Norske ritualer” from last year that received maximum score in Norwegian metal magazine Scream. The band is now working on their new album and has some line-up chances. Joining Trond Ciekals (NettleCarrier) and Mannevond (Koldbrann) is no other than Faust (ex-Emperor, Blood Tsunami, StudFaust). We are excited for the new Djevel album and to have them perform at Inferno Metal Festival for the first time.

WIEGEDOOD

From Belgium we present Wiegedood. A great band that released their powerful debut album “De Doden Hebben Het Goed” in 2015. An atmospheric black metal album with intense aggression and strong depressive atmosphere. Wiegedood released the sequel to their debut album earlier this year, simply called “De doden hebben het goed II”. An album so good that the band deserve your attention and therefore we welcome them to join the already great line-up for Inferno Metal Festival 2018!
