### **HELHEIM**

HELHEIM started up back in 1992, playing black metal with the spirits of their viking blood highly in presence. Seven full-length albums and three EPs later; the band is still going strong with live performance made of pure aggression and power. Their latest effort called "Heiðindómur ok Mótgangur" has received great reviews and shows the band in their most epic and brutal ways, with the ability to slow down to show a more progressive side. The vikings will headline

the stage at Blå and give you some of the best viking hymns of modern times.

### **VULTURE INDUSTRIES**

Avantgarde metallers VULTURE INDUSTRIES is a unique mixture of extreme and experimental metal with sinister melodies and elements of industrial and symphonic music. Their music style is often compared to the likes of Arcturus and Solefald, but are still original with their own sound intact. The members of VULTURE INDUSTRIES are well known for several other bands like Black Hole Generator, Aeternus, Sulphur and Deathcon – to name

a few. Their live shows is just as unique as their music, and something you surely don't want to miss at INFERNO METAL FESTIVAL 2013.

## COR SCORPII

COR SCORPII was formed in 2004 by Windir keyboard player Gaute Refsnes. The band continues the music style that got Windir world famous, often cited as Sognametal. COR SCORPII has the atmospheres of Norwegian extreme metal, with influences from both classical and folk music, blended perfectly in to make their unique sound. COR SCORPII is writing on their second album and has some nice tunes in the making. Until then you can

check them out at Blå during INFERNO METAL FESTIVAL 2013.

## KRAKOW

KRAKOW was founded in Bergen in the fall of 2005. To this day the band has released two full-length albums. Their newest album called "Diin" was out in 2012. A record filled with experimental stoner metal, with lots of heavy riffs and beautiful atmospheric melodies. Their sound is massive and looming, with just the right touch of mesmerizing darkness to get the listeners sucked in to the music. KRAKOW is just as hefty live when they bring their doom to the

stage at concerts. This will be an experience you will remember.
