They are soon ready with their debut album which will be released early in 2014 on Dark Essence Records. The album will contain guest contributions from artists like Taake's Hoest, Shining's Niklas Kvarforth and Helheim's V'gandr. The members of Alfahanne is no strangers to metal and has extensive experience from bands like Vinterland and Maze of Torment. Musically the band sounds like a bad ass mix between black metal, rock and punk. This is one of the up and coming bands to watch out for in 2014!
