MORTUARY DRAPE

Mortuary Drape was founded all the way back in 1986 and are one of the first black metal bands from Italy. The band has given out a huge number of demos, EPs and full-lengths during their almost 30 years career as a band. And this autumn they will release a new record on Iron Tyrant Records. The album, whose title is still undisclosed, is the band's first in 10 years, and the first one to see founder and vocalist Wildness Perversion return to drum duties since the black metal classic "All the Witches Dance" in 1995. The new record sounds 100% Mortuary Drape and so will also the gig at Inferno Metal Festival 2015! Into the Drape!
