HETROERTZEN

Hetroertzen is a Black Metal band formed in Chile – but later relocated to Sweden. The band has released five studio albums and are now working on their next chapter with a brand new album that is scheduled to be

released in 2016. The band will be performing a true black metal ritual at Pokalen during the Inferno club night. Hetroertzen's occult and unique take on black metal has earned a reputation to be a truly magical experience live on stage.

BENEATH

Beneath is a brutal death metal band from Iceland. The band is an excellent example on how brutality and technicality can work well together and create a sound that feels like being hit by a motorcycle club running over you. Beneath is now working on a new album that sounds just like real brutal death metal should. See them live at Inferno Metal Festival for the very first time!

DØDSFALL

The Norwegian black metal band Dødsfall was formed in 2009 and has since then released four full-lengths albums and one EP. The latest album is their black metal masterpiece “Kaosmakt” from last year. The band is Ishtar's brainchild, and adding to their live line-up is Clandestine (ex-Dødheimsgard) on bass, Telal (Troll,

ex-Endezma) on drums and Xarim (Djevelkult, ex-Crest of Darkness) on vocal.
