## BORKNAGAR, HELHEIM AND PILLORIAN TO INFERNO 2017

Another batch of great metal bands are confirmed for Inferno Metal Festival 2017! We give you Norway's progressive metallers BORKNAGAR, the viking black metal band HELHEIM from Bergen and newcomers PILLORIAN consisting of ex-members from bands like Agalloch, Infernus and Arkhum!

### INFERNO METAL FESTIVAL 2017:

CARCASS – ABBATH – BORKNAGAR - RED HARVEST – HELHEIM - INFERNAL WAR – ZHRINE – PILLORIAN

### BORKNAGAR

It is now 20 years since Borknagar released their self-titled debut album. The band has always strived to progress and take things a step further – while keeping to their musical roots. Something you can hear on their 10<sup>th</sup> studio album “Winter Thrice” that was released earlier this year. Inferno Metal Festival was actually co-founded by Borknagar guitarist Jens F. Ryland and Borknagar was the first band to headline Inferno Metal Festival in 2001 together with Enslaved. They will now return to Inferno Metal Festival and give the audience a musical experience only Borknagar can give.

## HELHEIM

Helheim, the pioneers of Norwegian viking metal, have been active since 1992. Since then the band has released eight full-length albums of viking hymns. Helheim's latest effort is called “raunijaR” and was released yesteryear. A great record where the viking spirit is strong. Also their performance at Inferno Metal Festival 2017 will be strong when they return to festival for the 4<sup>th</sup> time!

## PILLORIAN

Pillorian was formed in early Summer of 2016 by Stephen Parker (Maestus, ex-Arkhum), John Haughm (ex-Agalloch), and Trevor Matthews (Uada, ex-Infernus) with the goal to create a unique, sinister, and twisted style of dark/black metal. Fusing haunting melodies with avantgarde structures, dark folk elements and blackened walls of furious sound; the music of Pillorian is the perfect aural definition of its namesake. The band recently signed to Eisenwald Records in Germany and will be releasing their debut album in 2017.
