## MEPHORASH

Sweden's occult black metal band Mephorash deliver a pure and raw take on the old black metal sound with a mighty touch of esoteric and religious elements to create something new and unholy. The band breaks the barriers with their unique sound and their live rituals are something that must be experienced. Mephorash has never performed in Norway before, so check out this amazing band when they enter the stage at Inferno Metal Festival.

## ERIMHA

Erimha, meaning "Army" or "Legion" in Sumerian culture, base powerful, dark and epic elements with operatic sound on ancient knowledge and spirituality. Their mantra is one of inner strength and how the individual mind body and spirit can be as powerful as an entire army. Overflowing with dramatic power, dark atmosphere and grim grandeur, the Canadians exhibit their supreme amalgamation of epic black metal and punishing death metal throughout the bands discography. This will be Erimha's first appearance at Inferno Metal Festival.
