What is more important is that the band is one of the pioneers of symphonic black metal and has paved the way for extreme metal everywhere. Dimmu Borgir is one of the really hard working bands and has

earned every inch of their success. It took seven years for the band to release their new masterpiece “Eonian”. It has been worth the wait as “Eonian” takes Dimmu Borgir to new heights. The album got maximum points in Scream Magazine, Norway Rock Magazine and Gaffa. By now Dimmu Borgir has been traveled with victory around the world with their new show to many of the big festivals – among them headlining Wacken Open Air for 75000 people. The band will return to the indoor stage at Inferno Metal Festival for an intense and unique experience on their home soil.

CLARION HOTEL® THE HUB - OUR OFFICAL FESTIVAL HOTEL

Clarion Hotel The Hub is a renovated, expanded, renamed and new edition of our old official festival hotel Royal Christiania from a couple of years ago. The hotel opens in March 2019 so it will be brand new at the time the festival starts. The rebuilt hotel has a much stronger focus on events and conferences compared to earlier.

The Inferno family; artists and fans, media and music industry will gather at the hotel for four days of happenings, partying and a good night of sleep. During the Inferno week there will be Inferno pre- and after-

parties in the bar, black-metal breakfasts, Inferno exhibitions and a hell of a lot of special treats for our guests.

The Hub boasts Oslo's best location, right next to Oslo Central Station. The hotel is currently undergoing renovations and will reopen in March 2019 with 810 modern hotel rooms, 24 meeting rooms and 2 unique bars and restaurants.

During the festival period from April 14th to 22nd the hotel offers rooms at special festival rates.
