TRIUMPH OF DEATH – Hellhammer performed by Tom Gabriel Warrior's Triumph of Death

Tom G. Warrior, from Celtic Frost and Triptykon, started back in 1982 a band called Hellhammer. The band existed for a mere two years, from May 1982 to May 1984. During this time, the band released three demos, one 12-inch EP, and two songs on the legendary "Death Metal" compilation album. The band disbanded when Hellhammer members Tom Gabriel Warrior and Martin Eric Ain went on to form Celtic Frost. Warrior has made it clear; Hellhammer will never return and will never be reformed. Still the music exists, and it is an extremely important part of Tom G. Warrior's life and extreme metal in general – widely credited as pioneers of extreme metal. Even if Hellhammer is a band of the past, Warrior had an urge to perform the

classics on stage. This is when Triumph of Death became an reality. Triumph of Death is a band solely dedicated to perform the legendary music from Hellhammer. We can't wait to bring this band out on stage at Inferno Metal Festival 2020!

AMORPHIS

Amorphis started all the way back in 1990 – making them one of the pioneer within the Finnish death metal genre. Amorphis' music has turned more melodic over the years – spanning over a wide set of genres – including doom death, progressive metal, folk metal and power metal. The band has many classics under the belt, like “Black Winter Day”, “My Kantele”, “Silver Bride”, “Death of a King” and their biggest hit “House of Sleep”. Their latest album “Queen of Time” is pure ear candy and includes their latest hit “The Bee”. The line-up today includes all original members from 1990. We can't wait to have this great band at Inferno Metal Festival for the very first time.

ASPHYX

Asphyx is a Dutch death metal band that was formed in 1987. Their classic style of death doom metal is very dark, obscure, morbid and brutal. The band release some legendary albums in the early 90s, like “The Rack” in 1991, “Last One on Earth” in 1992 and “Asphyx” in 1994. The band split up in 1996, but the members

continued as Soulburn. After several years the band was back together and have by now recorded nine studio albums. The last one is “Incoming Death” from 2016 and it shows a band that still know how to make music brutal with no compromises. This will be the legendary death metal band ASPHYX' first appearance at Inferno Metal Festival!

ORANSSI PAZUZU

Oranssi Pazuzu was formed in Finland in 2007. Two years later their debut album “Muukalainen Puhuu” was released to great acclaim. By now the band has released four studio albums and one live album. The live album, “Live at Roadburn 2017” was released October 2019 and shows a band with a lot of diversity and strength. Oranssi Pazuzu went full psychomania at Inferno Metal Festival 2014 and we are happy to have them back in 2020.
