AMORPHIS TO INFERNO METAL FESTIVAL 2023

Finland's legendary metal-band Amorphis is confirmed to Inferno Metal Festival 2023. We look forward to having this great band at the festival for the very first time!

AMORPHIS

Amorphis started all the way back in 1990 – making them one of the pioneers within the Finnish death metal genre. Amorphis' music has turned more melodic over the years – spanning over a wide set of genres – including doom death, progressive metal, folk metal and power metal. The band has many classics under their belt, like “Black Winter Day”, “My Kantele”, “Silver Bride”, “Death of a King”, “The Bee” and their biggest hit “House of Sleep”. Their latest album “Halo” was released in 2022 to great acclaim. The line-up today includes all original members from 1990 which is amazing for a band spanning for more than 30 years. We look forward to having Amorphis at Inferno Metal Festival for the first time!
